QHSE POLICY

BLUE CAMEL DESIGN L.L.C has been in operation since 2004 and is engaged in activities of interior design and fit out service. Our Integrated Management System focuses on creating a culture in which our employees, together with other Stakeholders, dedicate themselves in achieving the goals which have been set with regard to QHSE

It is our commitment:

- *To maintain safe and healthy work environment, and to involve the employees on matters affecting their personal health and safety to prevent injuries and ill health arising from our activities, ultimately leading to enhancement of employee health and well being.*
- *To ensure that as far as possible, the company activities do not cause environmental pollution or pose a risk to the environment or to the health and safety of the public.*
- *To comply with all applicable statutory and legal requirements laid down by the Government and Regulatory Bodies in Dubai, U.A.E.*
- *To enhance customer satisfaction by providing high quality works in conformance to agreed requirements, leading to increased productivity and business prosperity.*
- *To ensure QHSE awareness and to build competency of employees at all levels to handle individual QHSE responsibilities, through appropriate periodic training.*
- *That the management sets, monitors and reviews as per suitability-QHSE objectives and targets, and provides necessary leadership, commitment and resources to continually improve the Integrated Management System (IMS).*
- *That this QHSE policy shall be reviewed every two years, or as and when a change is introduced, and will be communicated to employees, contractors, visitors and other Stakeholders, and made available when asked for to all interested parties.*

Every employee has his/her personal responsibility regarding the above, while carrying out the duties.
